

# THE SELECTION OF THE MONTH

Progressive rock scene novelties are more and more numerous every passing month. The right track is hard to find, even for the most devoted connoisseurs ! In order to help you when choosing and let you discover its preferences, Musea has made up the Selection Of The Month.

This specially-priced offer consists in a subscription for one-year or more, with a frequency of your choice: monthly, every two months or quarterly. You may give up your subscription anytime on request, after the first year has elapsed.

The Standard Selection Of The Month is set up every month within the first week or so. It includes two Musea label\* items and one non-Musea\* item, carriage paid, for 40,00 Euros only. This way, you save 13,65 Euros !

The Standard Selection Of The Month is visible on the website [www.musearecords.com](http://www.musearecords.com), and is sent by E-mail to the subscribers. If one subscriber is not scheduled for the current month, nothing needs to be done: no debit will be made, and nothing will be sent to him or her. In case of due receipt, the subscriber can indicate one or more changes from the offered choice before the 25<sup>th</sup> day of the current month. To this end, you can phone Yves at (0033) 3.87.36.18.18, or send him an E-mail at [data@musearecords.com](mailto:data@musearecords.com).

After that date, we assume that the Standard Selection Of The Month has been accepted by the subscriber. The CDs are sent by the end of the current month.

In case of changes from the Standard Selection Of The Month, a Customized Selection of the Month will be built up. The subscriber may include most items from the Musea catalogue, according to the following scale:

- Three items from the Musea label\* for 35,00 Euros.
- Two items from the Musea label\* and one non-Musea\* item for 40,00 Euros.
- One Musea label\* item and two non-Musea\* items for 45,00 Euros.
- Three non-Musea\* items for 50,00 Euros.

The subscriber can also add as many titles he wants into his Customized Selection of the Month, with a preferential rate.
